**BOYS & GIRLS CLUB
OF THE GRAND STRAND**

Expectations for Club Member Behavior

Protecting our kids is our #1 priority. To help make sure our Clubs are safe and orderly environments that support positive youth development, it is important that everyone understands our expectations for behavior. The Boys & Girls Club of the Grand Strand (BGC GS) has rules of conduct that define disruptive and unsafe behaviors and the consequences that may result from poor behavioral choices. In addition to the expectations defined by the Board of Directors of the organization, each Club site may have rules determined by Club site staff. Club site staff may, “add-to”, but not “take-away” from organizational rules of conduct. Club member disciplinary matters are best handled at the lowest supervisory level possible and in the most timely, reasonable manner. In most cases, minor disciplinary matters are handled by the youth development staff. As disciplinary matters become more serious, Unit Managers, the organization’s Executive Director, and/or the organization’s Board of Directors may become involved.

Club member behavioral violations are divided into three levels and the possible consequences for those violations are described below:

Level I -

Disorderly Conduct is defined as activities that impede orderly Club procedures, instructional activities, operation of the Club, or frequent and/or serious disturbances. Acts of disorderly conduct may include, but are not limited to, the following: lying, profanity, dress code violations, disturbing programs or activities, disrespecting staff or other club members. Disciplinary consequences for Level I offenses include, but are not limited to, one or more of the following:

- Verbal warning
- Withdrawal of privileges/exclusion from activities such as field trips or special activities
- Call to parent
- Conference with parent

Level II -

Disruptive Conduct is defined as those activities engaged in by a Club member that are directed against persons or property. Vandalism of Club property or property of other members. Violence to oneself or others which tend to endanger the health or safety of oneself or others. We have a “ZERO TOLERANCE” policy. Acts of disruptive conduct may include, but are not limited to, the following: abusive language to staff or other members, bullying, cyber bullying, computer violation, tobacco/drug violation, refusal to obey staff, threats to staff or other members, and stealing. Disciplinary consequences for Level II offenses include, but are not limited to, one or more of the following:

- Member Suspension
- Letter to parent
- Parent Conference
- Referral to an outside agency
- Restitution of property and damages
- Membership probation
- Cancellation of membership
- Other sanctions provided in Level I.

Level III -

Criminal Conduct is defined as those activities engaged in by a Club member which result in violence to oneself or to another's person or property, or which pose a direct and serious threat to the safety of oneself or others. These activities usually require administrative actions that result in the removal of the youth from the Club, the intervention of law enforcement authorities, and/or action by the Board of Directors. Acts of criminal conduct may include, but are not limited to, the following: bomb threats, false fire alarms, aggravated assault, threat to staff, simple assault/fighting, possession of weapons, hazing, computer crime, and drug possession (including prescription drugs).

Possible disciplinary consequences for Level III offenses include, but are not limited to, one or more of the following:

- Referral to Law Enforcement
- Restitution of property damages and/or
- Cancellation of club membership
- Other sanctions provided in Level I and/or Level II

Club members who find themselves involved in disciplinary proceedings are afforded due process, to include an opportunity for a hearing and an appeals process for disciplinary rulings.

Referral to Law Enforcement

When a Club member's behavior also constitutes a violation of the law, Club officials will notify law enforcement. Club members with serious behavioral infractions may be subject to consequences determined by the Club with separate consequences determined through the State's judicial system.

Dress Code

Club members are responsible for dressing in an appropriate manner at all times while on a Club campus or while involved in Club or organizational sponsored events/activities. Generally, Club member attire is considered appropriate as long as it does not, or could not, interfere with Club operations, cause disruption, or damage to Club property. In addition to clothing, hats, and shoes, Club member attire includes any jewelry, emblem, badge, symbol, sign, comment, or other items worn or displayed by an individual. The following guidelines help to define appropriate dress:

- Attire must comply with requirements for health and safety
- Attire must not be immodest, obscene, profane, lewd, vulgar, indecent, or offensive
- Shorts, skirts, and dresses should be of adequate length to assure modesty
- Under garments must be worn at all times
- Outer garments must conceal undergarments
- Tops with "spaghetti straps" are inappropriate, as are tops that reveal cleavage
- Hats are not to be worn in the Club (unless needed for a health condition)
- Tight "spandex" clothing is inappropriate
- Attire must not evidence membership or affiliation with a gang in any negative sense of the term
- Attire must not display any information about, representations of, or advertisements for alcoholic beverage(s), tobacco, controlled drugs, illegal drugs or paraphernalia associated with the foregoing. Additional guidelines may be established by the Club Site Director. Each Club is responsible for requiring students to comply with the dress code and taking disciplinary action if needed

BGCA Safety Tip Line

The Boys & Girls Club of America provides a Club safety tip line so that Club staff, Club members and parents can report information that could possibly indicate a threat to personal or Club safety. If you are not able to report information to a BGCGS official, call the BGCA anonymous tip line which is available 24 hours a day, 365 days a year at 866-607-7233 (SAFE).

1. I agree to pay a non-refundable membership fee of \$10.00 per calendar year (January – December) for each of my school-aged children participating in youth programs at the Club regardless of the month I sign my child up.
2. **I agree to pay the fees for the applicable Club programs my child is enrolled in, even if my child does not attend (this includes days missed due to sickness). I understand that enrollment and payment of fees in advance of service reserves my child’s slot in the program(s)** Please provide 14 days, advance written notice of withdrawal from any of our programs. 4. I agree that I will pick my child up by the closing time or earlier of program services; I also understand that it is my responsibility to provide alternate arrangements for pick-up of my child if I am unavailable to do so. **I understand that in the event that my child is not picked up by the closing time, a late fee of \$1.00 per minute/per child must be paid in cash at the time of pick up.** At 30 minutes past the closing time law enforcement officials and SC DSS may also be contacted if we have not heard from a parent/guardian or an emergency contact.
5. I understand that the Boys & Girls Club of the Grand Strand reserves the right to remove my child from Youth Programs for any good cause which includes but is not limited to: Continued late payment, continued late pick up, refusal to pay any Club fees, disruptive and/or threatening behavior on the part of parents/guardians, family members or youth members, repeated child behavior issues, bullying or failure to comply with Club policies. If a child has been removed from our program but continues to be dropped off at the Club site, then Club officials will have no choice but to contact law enforcement and SC DSS officials to report child neglect.
6. **I agree to pay ALL fees for my child/children by the date due.** Parents who are paid by their employer on a monthly, semi-monthly or bi-weekly basis should pay their child/children’s fees in advance accordingly. **I understand that all fee payments are Non-Refundable and Non-Transferable.** If an adjustment to a payment is necessary only a credit towards future services will be provided.
